About GOUBIO

GOUBIO is a revolutionary, eco-friendly liquid premium quality organic manure meticulously formulated through research and incubation support from AIC Nitte. By enhancing crop nutrition and bolstering soil health, GOUBIO fosters sustainable farming practices and maximizes yield potential. Manufactured by Vasuki Agro Chemicals LLP, Buddha Nagara, 1st Cross, Shivamogga - 577201.

An innovative, eco-friendly liquid organic manure developed through research and incubation support from AIC NITTE. GOUBIO enhances crop nutrition and soil health, promoting sustainable farming practices. Manufactured by: M/s. Vasuki Agro Chemicals LLP.
